It is the consumer's responsibility to regularly examine the product to determine the need for normal service or replacement.

This warranty does not cover the following:

- Seizmik products which have been modified, neglected or poorly maintained, misused or abused or involved in accidents.
- Damage occurring during shipment of the products (such claims must be presented directly to the carrier).
- Damage to products resulting from improper assembly or repair of the UTV or vehicle.

- Damage or deterioration to the surface finishes aesthetics or appearance of the product.
- The labor required to remove, re-fit, or re-adjust the product.
- Normal wear to the product including using the product through very rough terrain.

WARRANTY POLICY DETAIL

- All warranty return claims must be authorized by Seizmik Customer Service and assigned a Return Merchandise Authorization (RMA) number. The RMA number must be clearly displayed on the package, or it will not be processed.
- All parts not listed in the RMA will be returned to shipper.
- All warranty return claims must be accompanied by original purchase receipt.
- All warranty return claims must be sent to Seizmik for verification before a replacement or credit will be issued.
- Customer/Dealer is responsible for associated costs of shipping warranty/return items back to Seizmik.
- Seizmik will ship back warranty items to the retailer using the same shipping level and carrier as the item was shipped to Seizmik. Seizmik will assume the cost of shipping of replacement parts or product back to the retailer upon verification that it is covered under warranty.
- All order or shipping discrepancies must be reported by phone/fax/email within 5 working days of receipt of the order.
- No return will be accepted after 30 days from the date of the RMA number being issued.
